HOMEAID ESSENTIALS

Every individual has worth and human dignity and deserves the basic provision of shelter as a necessity of life. HomeAid Los Angeles partners with the Building Industry Association's Los Angeles - Ventura Chapter to help build a sustainable future. As a 501c3 nonprofit, HomeAid identifies long-term, stable homeless care providers who need additional shelter capacity and pairs

them with builders, vendors and suppliers who donate their time, materials and labor to build new shelters and housing units.
